Clair

Words & Music by Raymond O'Sullivan

Clair the mo-ment I met you I swear I felt as if some-thing some-

where had hap-pened to me, which I could-n't see; and then the Clair if

mo-ment I met you a - gain I knew in my heart that we were friends, it
Ev-er a mo-ment so rare Was cap-tured for all to com-pare that

had to be so, it could-n't be no; But try as hard as I might do I
mo-ment is you, in all that you do; But why in spite of our age dif-ference

don't know why, you get to me in a way I can't de-scribe, do I cry each time I leave you I feel I could die,

Words mean so lit-tle when you look up and smile I don't care
No-thing means more to me than hear-ing you say I'm going to

what people say to me, you're more than a child oh Clair Clair
mar-ry you, will you mar-ry me Un-cle Ray oh Clair Clair
